TRUTH TRIUMPHS

Barre Citizens Testify for the Public Benefit.

A truthful statement of a Barre citizen, given in his own words, should convince the most skeptical of the merits of Doan's Kidney Pills. If you suffer from backache, nervousness, sleeplessness, urinary disorders or any form of kidney ills, the cure is at hand. Read this:—

Mrs. Daniel Ryan, 54 West street, Barre, Vt., says: "Time has not changed my opinion of Doan's Kidney Pills, for whenever I have taken them, the best of results have followed. Several years ago, I was hardly able to do my housework. I had severe pains in my back, headaches and terrible attacks of dizziness. My kidneys were so weak that any cold I caught settled in them and aggravated the whole trouble. I saw Doan's Kidney Pills advertised and had my daughter get a box at E. A. Drown's drug store. This remedy proved to be the one I needed, and I had not taken it long before the backache ceased and the other symptoms of my trouble disappeared. I know Doan's Kidney Pills to be a splendid remedy for any trouble arising from the kidneys."

For sale by all dealers. Price 50 cents. Foster-McBlair Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's—and take no other.

The late Darius Pride, Esq., who died years ago, always went by the name of Squire Pride. In the early history of the place, he was one of the "pillars" here. He had a very dry, droil vein of fun about him, and his peculiar observations were very quotable and portable and are traveling here yet. For the first time, as we recall it, we heard the following the other day. He had purchased a load of hay that had been weighed on the village hay scales, and while it was standing there he began to be, seemingly, very interested about the quality of it. He went around the load, pulling out a handful here and there and examining it, till finally the owner of the hay asked him if he had any fault to find with it, when the squire replied that "it seemed to him as if it was not half moved." It was after a similar joke that a good, serious-minded woman, whom he had befriended about her spoiled butter, that she had brought to the store to sell, said to him, "Where do you suppose you'll go to, when you die?"

STOMACH DISTRESS

IS ENDED FOREVER

Indigestion, Stomach Gas, Heartburn or Dyspepsia Will Be Relieved in Five Minutes with a Little Diapepsin.

Take your sour, out-of-order stomach—or maybe you call it indigestion, dyspepsia, gastritis or catarrh of stomach; it doesn't matter—take your stomach trouble right with you to your pharmacist and ask him to open a 50-cent case of Pape's Diapepsin and let you eat one 22-grain triangle and see if within five minutes there is left any trace of your former misery.

The correct name for your trouble is food fermentation—food souring; the digestive organs become weak, there is lack of gastric juice, your food is only half digested, and you become affected with loss of appetite, pressure and fullness after eating, vomiting, nausea, heartburn, griping in the bowels, tenderness in the pit of stomach, bad taste in mouth, constipation, pain in limbs, sleeplessness, belching of gas, biliousness, sick headache, nervousness, dizziness or many other similar symptoms.

If your appetite is feeble and nothing tempts you, or you belch gas, or if you feel bloated after eating, or your food lies like a lump on your stomach, you can make up your mind that at the bottom of all this there is but one cause—fermentation of undigested food.

Prove to yourself in five minutes that your stomach is as good as any; that there is nothing really wrong. Stop this fermentation and begin eating what you want without fear of discomfort or misery.

Almost instant relief is waiting for you. It is merely a matter of how soon you take a little Diapepsin.

Chicago, Sept. 10.—The strike of the Illinois coal miners, which has been in effect for twenty-three weeks, is at an end, and a committee of the Illinois Coal Operators' association has signed the agreement adopting a wage scale, outlined by the Peoria miners' convention. The operators also agree to an increase of 5.55 per cent. for all day laborers and will pay the wages of shot firers, formerly paid by the miners. This will increase their cost between two and three cents for each ton. About 45,000 men are affected.

AROSTOOK POTATO CROP.

Prospects Bright for a Large One of Excellent Quality.

Houlton, Me., Sept. 10.—The outlook as to the size of the potato crop and conditions in Aroostook county is most promising. While the acreage may be less than last year, the conditions for the past two weeks have been almost ideal. The stock is maturing of the crop. The acreage is of good size and of exceptionally fine table quality. The local market is paying \$1 per barrel, with a small amount coming in. This is a fairly good price for the season and different varieties differ in price somewhat. On account of the drought in the West it is expected that that section of the country will draw largely from Maine in the fall.
